

# The God Who Saves

## Luke 2:1-20

I. Salvation is \_\_\_\_\_ (vs. 1-7)

II. Salvation is \_\_\_\_\_ (vs. 8-14)

III. Salvation is \_\_\_\_\_ (vs. 15-20)

Points to Ponder:

1. Consider this week the army of angels that came down from heaven to give glory to God for the birth of Jesus. These angels understood who this baby in the manger was and as a result offered praise to God for His incarnation. How might you give glory to God this week for Him becoming a man?
2. Consider this week the shepherds who were visited by the angels. These shepherds heard the message of salvation, saw salvation with their own eyes and told others of the salvation that had come. Have you heard and believed the message of salvation through Christ alone? How might you be more like the shepherds?
