

# Worship and the Gospel!

(Selected Scriptures)

**GOD:** Worship always begins with God.

**Man:** Worship humbles the Pride of men.

**Christ:** Worship centers upon the person and work of Christ.

**Response:** Worship is the rightful response to the revelation of God.

Have you put your faith and trust in Christ alone for Salvation? Why or why not?

How have you responded to the Gospel?

How will you worship God more fully today because of the Gospel's saving work in your life
