

# The Sufficiency of God's Word

Psalm 19:7-11

## Opening Thoughts/Background

**I. The \_\_\_\_\_ and \_\_\_\_\_ of God's Word (vs 7-9)**

(Heb. 4:12) (2 Tim. 3:16-17) (Dt. 4:5-6) (Ps. 119:105) (Jn. 8:12) (Rev. 5:13) (Jn. 17:17)

**II. The immense \_\_\_\_\_ and \_\_\_\_\_ of God's Word (vs 10)**

**III. The \_\_\_\_\_ and \_\_\_\_\_ of obeying God's Word (vs 11)**

(Ps. 119:9) (Ps. 1:1-3)

## Application

(Matt. 4:3-4)

## Points to Ponder

- Read (John 17:17) where Jesus prays for His disciples. Why do you think that the church being set apart (sanctified) in the Truth of God's Word was so important to Jesus? Obviously Jesus' prayer was motivated by knowing that His church would be tempted with defecting from God's Word. Why do you think that defecting from the Truth is such a temptation for the church? As a church, what might we do to proactively address this temptation?
- In your own life, how do you see a commitment to the sufficiency of Scripture reflected in your actions? In what areas of your life might this commitment be better reflected in your actions?
